

The diagram shows two overlapping sets, 'Studs' and 'Sockets', represented by rounded, teardrop-shaped outlines. The 'Studs' set is on the left and the 'Sockets' set is on the right. They overlap in a central region. Inside the 'Studs' set, there are two black dots: one above the text 'Studs' and one below it. Inside the 'Sockets' set, there are two black dots: one above the text 'Sockets' and one below it. A thick horizontal black line is drawn at the bottom of the diagram, extending across the width of the two sets.
